# New York Stock Market

New York, October 22.—The war in the Baikans was the paramount influence in the New York stock market to-day, though there was an absence of yesterday's large liquidation for foreign account. London bought moderately here of United States Steel, Amslgamated Copper and a few other such javorites.

gamated Copper and a few other such invorties.

All European markets continued to manifest uneasiness, London taking more stocks from Paris and Berlin. The latter exchanges were weak. London's nervousness was accentuated by fears regarding the outcome of next week's settlement. The opening here displayed some irregularity, followed by general improvement, and oy midday some substantial gains were recorded, chiefly in the coalers, Union Pacific, Steel and Amalgamated Copper. In the latter part of the session trading fell away, the only feature being the activity in Chino Copper at a new high record. Towards the end prices fell steadily, until little remained of early gains, Union Pacific and Lehigh Valley being especially heavy.

For the first time in some days call loans opened at 5 per cent, and the greater part of the day's oferings were at that figure. Local banks suffered another heavy drain to the sub-treasury, their total loss since last Friday approximating \$6,000,000.

The bond list in its heaviness followed the course of stocks. Total sales, par value, aggregated \$1,700,000. United States government bonds unchanged on call.

New York. October 22.—Money on call firmer. 4% 65 per cent, ruling rate, 4%; closing bid, 4%; offered at 4%. Time loans steady; sixty days, 5%; minety days, 5%; six months, 5%; 65%. Close: Prime mercantile paper, 6 per cent. Sterling exchange strong, with actual business in bankers' bills at 34.82 for sixty-day bills and at 34.8315 for demand. Commercial bills, 34.81%. Bar silver, 63. Mexican dollars, 48%. Government bonds steady; radroad bonds easy.

Argument on the mandamus proceedings to force the Secretary of the Commonwealth to place Colonel James S. Browning's name on the official ballot as Progressive candidate for Congress from the Sixth District will be heard by Judge R. Carter Scott this morning at 10 o'clock in the Henrico courthouse. Daughters of Confederacy Start Campaign for Confederate Monument.

Having taken up a work for which the men tried and at which they failed, the United Daughters of the Confederacy have begun a movement to raise a sufficient fund by October 31. Hallowe'en, to pay for the Arlington Monument. The corner-stone will be laid with due ceremony on November 12, and, if the money can be secured, it will be put in place and dedicated some time in 1913. Sir Moses Ezekiel, of Virginia and Italy, is the sculptor. The total cost is to be \$55,600, of which \$35,000 has previously been raised. The Daughters of the Confederacy want \$20,000 to place the work in Arlington National Cemetery to the more than 200 Confederates buried there.

there.

Hallowe'en was chosen as Arlington Day by the convention recently held at Harrisonburg. Mrs. Thomas S. Bocock, the State director, has adopted an envelope system to raise the fund. On the envelopes she has placed this appeal:

On the envelopes she has placed this appeal:
"Not desiring to have an entertainment of any kind for the benefit of this fund, it was decided by the committee that a personal appeal be made, trusting to the generosity of all who desire to do honor to the "Confederate prison dead" buried in this national cemetery. The North has placed monuments to the Federal soldiers. Shall we of the South forget our dead?

On the State committee for the fund are Mrs. Thomas S. Bocock, director: Mrs. Walter Christian, treasurer, and Mrs. J. M. Gregory. Contributions, whether in evenlopes or not, should be sent to Mrs. Christian, 215 South Third Street, Richmond.
